BILL OF MATERIALS

#	DESCRIPTION	DIMENSIONS	MATERIAL / FINISH	SOURCE
1	Top shelf – end table surface	12.5" × 18.5" × 1½" thk	Solid black walnut · OSMO Polyx-oil satin	rustydesign.ca · SKU: black-walnut-side-table-top · ×2 pcs
2	Lower shelf – storage tier	12.5" × 14" × 1½" thk (trim to fit)	Solid black walnut · OSMO Polyx-oil satin	rustydesign.ca · same SKU, trim width · ×2 pcs

3	U-shape leg pair	12" W × 22" H · 2×1" steel tube	Steel · black powder coat · adj. levelling feet	rustydesign.ca · SKU: W5033C · ×2 pairs (one per table)
4	Matte black L-bracket (shelf mount)	2" × 2" · #8 wood screws	Steel · matte black powder coat	Home Hardware / Home Depot · ×4 per table (×8 total)

ASSEMBLY NOTE

Fix top shelf (#1) to leg top plates using $\frac{1}{4}$ " wood inserts + M6 bolts, or #10 wood screws through pre-drilled plate holes. Mount lower shelf (#2) at 4-5" from floor using L-brackets (#4) against inner face of each leg – brackets sit recessed and are not visible from seated position. Confirm shelf height matches grey couch arm height before final fastening (~22-24" finished height to top surface).
